PENDING Status

- 7. Someone will **APPROVE** or **REJECT** your promotion.

APPROVED status

- 9. When promotions become active or completed, promotions are available to **RESOLVE DEDUCTIONS**.
Use the promotion KPIs to review deductions and claims matched to each promotion:
 - Compare your estimated promotion cost to the Latest Estimate for the promotion.
 - Review Net Liability; This is what iTPM thinks you owe, but haven't paid yet. (Net Liability = Expected Liability minus Actual Spend.)

CLOSED status

- 10. **CLOSE PROMOTION** when you think all settlements and claims have been processed. This will 'release' any unpaid Net Liability for this promotion.
- 11. Optional: **REOPEN** promotion if you get a claim or deduction after you closed the promotion.
